# FAR EAST HIGH TECH CO., LTD

*Precision Engineering – Reliable Quality*

# ABOUT US & CAPABILITIES

## Company Overview

- **Founded:** 2018
- **Industry:** Precision machining and manufacturing
- **Factory Locations:**
  - **Binh Duong Factory:** No. 4 Doan Thi Kia, Dong Chieu Hamlet, Tan Dong Hiep Ward, Di An City, Binh Duong, Viet Nam
  - **Bac Ninh Factories:**
    - Factory 1: Khac Niem Industrial Cluster, Khac Niem Ward, Bac Ninh Cit, Bac Ninh, Viet Nam
    - Factory 2: 1476 Pho Va Street, Hap Linh Ward, Bac Ninh City, Bac Ninh, Viet Nam
- **Total Workforce:** 124 employees
- **Export Markets:** Japan; Korea; Us
- **Certifications:** ISO 9001:2015

## Company Overview

- **Total CNC Machines:** 85
- **Types of Machines:**
  - CNC Milling: 60
  - CNC Lathe: 16
  - CNC Grinding: 3
  - Laser Fiber Cutting: 1
  - Wire Cutter: 2
  - CNC EDM: 2
  - CNC Tool Grinding: 2
- **Annual Production Capacity:**  
High-volume precision machining with optimized jig technology

## Vision & Growth Plan

Far East Tech will be in the Top 10 manufacturers and suppliers of supporting industry products

- **2028:** Expansion of Binh Duong factory to match Bac Ninh capabilities
- **2030:** Development of finished product lines

# SERVICES

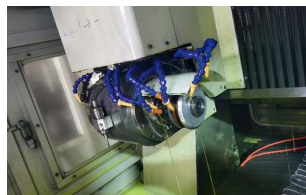

## CNC Milling Service

We excel in aluminum and steel products, particularly thin aluminum sheets and motorcycle-related toys.

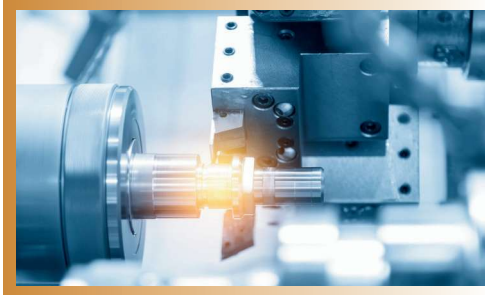

## CNC Tool Grinder Service

These are support services for the mold industry and our detailed products.

## EDM, Grinding and Wire Cutting Service

Precision machining using electrical discharge, grinding, and wire cutting to achieve high accuracy for small and complex parts.

## CNC Turning Service

We can manufacture all small to medium-sized items for all types of materials.

## Welding Service

We have veteran welding engineers to ensure high-quality welded products. We offer Mig welding, Tig welding, and laser welding.

Notably, we specialize in laser welding of aluminum for export to the U.S. market.

## Bolt Production

In 2025, we will open a bolt manufacturing workshop to supply custom bolts tailored to customer needs.

## Sheet Metal Service

We can paint finished products according to customer requirements.

# PRODUCTS

## Key Services

- CNC Machining: Milling, Turning, Grinding, EDM, Wire Cutting
- Jig & Fixture Manufacturing
- Mold & Die Manufacturing
- Sheet Metal Fabrication, Welding, Surface Finishing

## Industries Served

- Automotive Industry: Car & Motorcycle components
- Automation Equipment: Custom parts for automated systems
- Conveyor Systems: Precision conveyor belt parts
- Electronics & Semiconductor: High-precision tools & fixtures

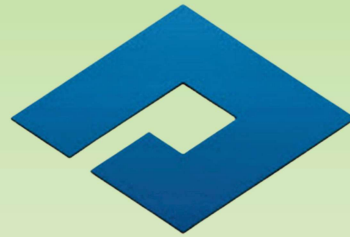

## Competitive Advantage

- 97% On-Time Delivery Rate
- 6+ Years of Export Experience
- Custom Jig Solutions for High-Volume Production
- Strict Quality Control Processes
- Fully equipped with high-tech measuring devices such as Optical Measuring Machine; Mitutoyo 3D Measuring Machines

# CLIENTS

KOMATSU  
KOGYO

YOSHIMOTO

# Factory Locations

## ***Bac Ninh Factories:***

- Factory 1: Khac Niem Industrial Cluster, Khac Niem Ward, Bac Ninh City
- Factory 2: 1476 Pho Va Street, Hap Linh Ward, Bac Ninh City

## ***Binh Duong Factory:***

- Factory 3: No. 4 Doan Thi Kia, Dong Chieu Hamlet, Tan Dong Hiep Ward, Di An City, Binh Duong
